6:45 FMO contd.

Launch Procedure Discussion:

Small flights w/ colored and numbered cards to assist with launch?

Weigh in logistics. Keeps the line moving. We are working on it and it gets better each year. Water level dependent. Stagger weigh in times? Volunteer drivers to scuttle fish? Increased Involvement w/ anglers and the crowd. Youth club members parents to help

Suggestions? Send an e-mail to Bill Wilson or better yet, attend the next FMO meeting.

Next FMO meeting April 3rd 5pm before our regular meeting = LOGISTICS

Reminder, the Tooth is not set up for a big event so we have to play the cards dealt us.

We would like to have a pontoon. (Contact Bill Wilson if you know of one we can use)

We will need a PA system. (Contact Bill Wilson)
