Response from Questionnaire last month. Only had 11 returned. Not quite 1/2 had attended a majority of meetings. Majority note BUSY as reason for non-attendance. 2/3 had attended all or most Tourneys last year. 2/3 would attend more if food and drink were available. Majority plan to fish Team this year. Majority had a doesn't matter, number 6. All but 1 are currently seeing Club emails. Majority were in favor of keeping number of meetings held same or similar. More/ better communication, Food, Efficient use of time, Regular meetings, Demos/ Guests.
