TD Report-Terry Carwin

All is good-nothing to report

Team TD Report-Chris Jones

All is good-nothing to report

Conservation-John Murphy

Nothing to report

Activities-Craig McMillian

Nothing to report

FMO-Bill Wilson

There are more donations to collect, approximately \$1500.00.

Channel 9 aired highlights of the FMO. They interviewed the 1st place team, Brandon, Frank, and Colton. Bill asked about getting a DVD of the airing. The club needs to send out a thank you to all the participants with survey questions attached. That was a suggestions to try and make the FMO better next year.

A lot of thought needs to be put into the time of year when the FMO is held since there were 4 dead fish this year. Possibly September, October, or Spring. There are many improvements needed, one being to get the weigh in done faster. Possibly having boats dock at the swim beach to bring in their fish but that really depends upon the water level and what time of the year it is done. May this year would have been to early because it was cold. Water temp this year was about 74 degrees. Someone made the comment that other states do large tournament is hotter weather than ours and the fish do fine. Aerators need to be used in the tanks, and breathable weigh bags with holes to use are helpful to keep the fish alive. We use bags with no holes and no aerators currently. Suggestion of 2 flights. Another suggestion was to do registration the night before at a hotel like other large tournaments. Try to get a host hotel so that the participants can sleep on Saturday to prepare for the evening. Comfort Inn is one of our current sponsors but we would have to book early so that they are not sold out. Club members and participants need to write down suggestions to make next year better.

CAST-Bill Wilson
Nothing to report

Federation-Frank Villa
BOD meeting on the September 15th. Colorado springs. It didn't happen.

Jr Club-Frank Villa
Jr State tournament is August 22 at Swift Ponds. Volunteers needed for the card tournament.

High School-Frank Villa
HS State tournament is August 23 at Horsetooth. Possibly more boats needed. Windsor has 6 or 7 teams with possibly 2 more coming.

OLD BUSINESS:

Frank is still working on the new member policy for the bylaws. New member can come to a tournament to fish as a guest and be voted in the next meeting.

The new scale of approximately \$950.00 did not affect the overall finances of the Club. The scale needs to be taken care of as to not let it overheat while sitting in a car all day.

Talk to BOD to give back their scale and wood box. We are paying for storage so they need to do that.

NEW BUSINESS:

Volunteers for Ault, get with George.
