Pueblo left

Team TD: Chris Jones

Nebraska and here. Vote for October 1st tournament. Horsetooth? Was lonetree but switch to Horsetooth.

2 week out, back at Horsetooth.

Conservation: John Murphy

Need lights on the docks. If we can find them, we can buy them and put them up. Needs to be solar, 12 volt, need to build a frame, they will build the frame if we can find the lights. Need LED good enough for a dock light. Want to attach to cages. Centennial has to buy them, Larimer County will not. They don't have the money. Their money is budgeted for other things. Batteries plus will give us the batteries and light bulbs and LED's. Everyone needs to search and find the lights.

October 17 clean up 8am-10am.

Activities: Craig McMillin

Nothing to report.

FMO: Bill Wilson

Silent auction check went to Nate on September 23. Sponsors want their shirts.

Next year-Bill will delegate sponsors off to other club members. We had to buy some items for silent auction and would prefer not to have to purchase anything. Berkley is coming on board for next year. Survey is done. Frank will email out to FMO email list. Frank and Echo volunteer to pick up trailer to inventory the items and make sure things are working correctly. Maybe draw up a plan to know where banners should be etc. Possibly to a mock run.

CAST: Bill Wilson

Sam's did not give \$500.00 this year unlike last year. Lost \$500.00 from Kohls. If anyone knows more sponsors that would be great. Need more money for CAST for next year. CAST owes Centennial \$500-

\$600 for food. Get food from 1 of the members. Their family has a slaughter house. 1st Saturday in June every year.

Federation: Frank

Nothing to report. State team Qualifier Lake Tenkiller Oklahoma.

Juniors: Frank

Season over. Getting kids and High Schoolers signed up for next year. Colton & Hunter qualified for Nationals next year. Probably Kentucky Lake. Dates for Western Divisional is assigned December-February.

Old Business:

New member policy. 5 things that need to happen to become a member of Centennial. Read old/new bylaws for possible new members. Needs to be read twice before accept. As soon as it's voted on, it would take effect. Could have issues with team tournaments. Consensus is that if you want to fish a **team** tournament, you need to be a member of Centennial. Email needs to go out and let people know. Notes need to be taken to acknowledge who is actual a member. If there is a meeting following a tournament, then it counts as a regular meeting and possible new member can be voted in that night.

George expressed the Ault parade was great with the Bass Boats.

New Business:

Labor Day parade in Windsor had George and Frank with boats and next year they plan on pulling the Centennial Trailer and a boat.

4th of July parade in Greeley next year. Will need volunteers for the parades next year.

Adjourn, Motion, 2nd and passed.
